

# Spring nsc Safety Conference & Expo

Charlotte, NC

2025

Professional Development Seminars: April 23  
Conference & Expo: April 24-25

Dear:

I'd like to attend the 2025 NSC Spring Safety Conference & Expo April 23-25\* in Charlotte, NC. I'll have the opportunity to attend multiple educational sessions and network with my safety, health and environmental peers too.

I reviewed the Spring Safety Conference & Expo program and found a number of exhibitors and sessions that offer valuable safety knowledge I can use and are directly applicable to our organization. These sessions, led by industry experts who have successfully navigated similar challenges, will offer firsthand insights that can streamline our research efforts, saving both time and costs. Additionally, I will gain practical strategies to strengthen our safety program and potentially reduce expenses.

Here are some of the exhibitors I would like to see:

Here are some of the educational sessions I would like to attend:

#### **Here's an approximate breakdown of costs:**

- Airfare:
- Transportation (between airport and hotel):
- Hotel:
- Meals:
- Registration Fee:
- Professional Development Seminar(s):

#### **Total:**

Beyond the educational benefits, attending will allow me to establish connections with key professionals in our community, fostering relationships that can provide ongoing value to our organization. Given the opportunity to gain actionable knowledge and develop strategic industry contacts, my attendance at the Spring Safety Conference & Expo represents a worthwhile investment with long-term benefits.

I appreciate your consideration and look forward to discussing how this opportunity aligns with our goals.

Sincerely,
