

Justification to Attend the 2026 NSC Safety Summit

Dear [Name],

I am requesting approval to attend the 2026 NSC Safety Summit, May 6-8 in Baltimore, MD. This event combines the Future of EHS, the Human Organizational Performance (HOP) Summit, and the NSC Spring Safety Conference & Expo, offering a broad and efficient learning experience for today's safety professionals.

The Summit focuses on key issues relevant to our organization, including:

- AI and technology for injury prevention
- Serious Incident and Fatality (SIF) reduction and Human & Organizational Performance (HOP)
- Compliance, hazard recognition, and safety management systems

These expert-led sessions will provide practical strategies that can be applied directly to improve our safety program and operational efficiency.

The Expo will include more than 150 exhibitors, offering opportunities to evaluate new technologies, compare solutions, and gather information that can support cost-saving improvements.

Key Exhibitors and Sessions I Plan to Attend:

• Exhibitors: [List exhibitors]

• Sessions: [List sessions]

Estimated Costs:

- Airfare:
- Transportation:
- Hotel:
- Meals:
- Registration Fee:

Attending the NSC Safety Summit will help us stay current with emerging tools and best practices while building valuable relationships with industry leaders and peers. The insights gained will directly support our ongoing safety initiatives and long-term goals.

I appreciate your consideration and look forward to discussing how this opportunity aligns with our goals.

Thank you for considering my request.

Sincerely,

*Separate fee and pre-registration required.
